**CLIENT COVID-19 INFORMATION & INFORMED CONSENT**

I understand that COVID-19 is highly contagious and still present in the community where I am seeking massage therapy. I understand that COVID-19 is passed through close contact with others and that people without symptoms may be infectious. I understand that Robert Byrnes has taken every precaution to ensure my health and safety but that risk of infection is still possible.

**HIGH RISK AWARENESS**

I understand that the health conditions listed on the next page of this document place me at higher risk for serious illness from COVID-19 infection. If I have one of these conditions, I should forgo massage therapy while COVID-19 is still present in my community, or obtain my physician's consent to receive massage therapy. Should I decide to proceed with massage therapy I assume all risk related to illness from COVID-19 infection.
